Secy

When I wanted an Express Terms a letter to be written what put it into the under secy's head to issue an "Order" as Progs of the Govt — Really the subject ct not form one for a Govt order and I much regret the blunder which is annoying

Exclude it for Govtness' Dates from the Journals of Govt orders and report that this has been done

Secy

This is a mistake which the H. Secy very much regrets — The order will not be taken in the Proceedings Board (weekly or monthly)

Thanks
